READ BEFORE ORDERING

HOW TO ORDER—An order sheet is inserted in this book.

Fill in all spaces carefully, write your name and address plainly. Do not write a letter on the order sheet, but use a separate sheet of paper.

SPECIAL OFFERS—You will note that we have given each \$1.00 collection offer a number and the simplest way to order is to use the order number; it will also assist us in taking care of your order promptly.

WE DO NOT ACCEPT ORDERS FOR LESS THAN A DOLLAR—Due to the expense of handling a lot of small orders, we find it very unprofitable to fill orders for less than \$1.00. Make it as large as you can.

FREE DOLLAR OFFER—If you send us an order that amounts to \$10.00 or more you can have your choice of any dollar collection listed in this book **FREE**.

TERMS—Our terms are cash with order; we can not send goods on a C. O. D. basis due to the extra clerical work it requires to look after such shipments. A full remittance should be enclosed with the order. Remittance should be made by Post Office or Express money order, bank draft, or in registered letter. Any other way is at your own risk.

POSTAGE PREPAID—We pay the charges on all the goods listed in the fore part of this book that are designed to be shipped by mail. This covers all the dollar collection offers. The last few pages covering fruit and ornamental trees are priced for express shipment and will be sent charges collect.

OUR GUARANTEE

We guarantee the goods to reach you in a healthy and thrifty condition. Examine and count the shipment upon receipt of same, and notify us of any errors, and in case of any damaged shipments tell the carrier as well as writing us.

KOLKWITZIA AMABILIS**(New Beauty Bush)**

Discovered among the mountains in central China, and introduced in America only recently. A very attractive little shrub attaining a height of about six feet; center is upright, the outer branches gracefully arching. The beautiful trumpet-shaped flowers appearing in great profusion in June resemble the flower of Abelia; but the bush is much hardier, standing the severe climate of New England. The flower is pale pink, with orange veins in the throat and not quite so large as the Weigelia. Field grown plants by mail \$1.00.

11-

KOREAN SPIREA**(Spirea Trichocarpa)**

A handsome new spirea with larger flowers than the common Spirea Van Houttii. It is extremely hardy and a wonderful grower, making a large, handsome specimen in a short time. It blooms later than the common Spirea and has large dome-shaped clusters which are very distinctly "eyed" or marked in the center, so it does not have quite the same dead white effect. Believe it will be very popular shrub in a very short time. Field grown plants \$1.00 each.

12

GRAPE VINE COLLECTION**Six Grape Vines for \$1.00**

This collection will give you a fine assortment for the home planting as there are early, medium and late varieties, also as to color. The following varieties will be sent postpaid. Agawam, red; Niagara, white; Concord, black; Salem, red; Diamond, white; and Worden, black.

13

PEACH TREE COLLECTION**Seven for \$1.00**

For one dollar we will send you seven peach trees by mail postpaid; varieties to be selected from the following list of varieties, you to make selection.

Champion	Heath Cling	Salway
Early Crawford	Iray	Shipper's Late Red
Late Crawford	Kalamazoo	Wooster
Early Elberta	Lemon Free	Wilma
Elberta	New Prolific	Yellow St. John
Gold Drop	Rochester	
J. H. Hale	Salberta	

14 THREE QUINCE TREES FOR \$1.00

Every one should have a few quince trees in his planting, as they are very ornamental with their large white flowers tinted pink, as well as fruit bearing. One each, Champion, Orange, Meeks.

15 SIX SHRUBS FOR \$1.00

- 1 DEUTZIA, white, double flowers, outer petals flushed pink, blooms in May.
 - 1 FORSYTHIA, covered with bright yellow flowers in early spring before the leaves appear.
 - 1 WEIGELIA, pink trumpet-shaped flowers, borne in clusters latter part of May.
 - 1 HYDRANGEA PANICULATA GRANDIFLORA, an old and familiar shrub that blooms in August and September; large, massive white flowers, changing to pink and bronze.
 - 1 SPIREA VANHOUTTII, loaded with white flowers in May.
 - 1 SNOWBERRY, small pink flowers in early summer, followed by large round white balls of fruit in autumn.
- All six of the above shrubs will be mailed for \$1 postpaid.

16 THREE EVERBLOOMING ROSES FOR \$1.00

One large pink rose, one large red rose and one large white rose will be mailed postpaid for \$1.00.

17 3 EVERBLOOMING BABY RAMBLER ROSES \$1.00

Send us one dollar and we will mail you, postage paid, three everblooming baby rambler roses and give you three different varieties, in shades of red, pink and crimson.

PLANT SOME TREES THIS SPRING

THE FOLLOWING LIST OF TREES IS SUITABLE FOR PLANTING ON THE LAWN FOR SHADE OR ORNAMENTAL PURPOSES? THE FLOWERING TREES ARE ESPECIALLY SUITABLE FOR PLANTING IN GROUPS TO PRODUCE A SCREEN HEDGE-LIKE EFFECT. LOOK THE DOLLAR SPECIALS OVER AND SEE WHAT A LOT OF ENJOYMENT CAN BE OBTAINED BY THE INVESTMENT OF A FEW DOLLARS.

- 18—BECHTELS FLOWERING CRAB**—Makes a medium sized tree, bears clusters of double pink, rose-shaped flowers in early summer. Two year old trees, 2 for \$1.00.

- 19—PURPLE LEAF CRAB**—Grows to fifteen feet, bears single red flowers in early summer; the leaves are reddish purple; nice for group planting with other trees; 2 trees for \$1.00
- 20—JAPANESE FLOWERING CHERRY**—Grows to be a medium size tree; bears semi-double white flowers, flushed pink; fine for single specimen or group planting. One two-year tree for \$1.00.
- 21—PRUNIS PISSARDI (Purple Leaf Plum)**—Small tree covered with single pink flowers in early spring; large shiny purple leaves; adds color to the landscape; two trees by mail for \$1.00.
- 22—PRUNIS OTHELLA**—Same as the above except the leaves are much more red and retain this color later in the season. Two trees by mail for \$1.00.
- 23—PRUNIS TRILOBA (Double Flowering Plum)**—Small tree grown for their beautiful double pink flowers that are thickly set along the branches in early spring. Make a very pleasing effect in group or single specimen. Two trees for \$1.00.
- 24—PAUL'S SCARLET THORN**—Flowers are deep crimson, very double, a very attractive small tree for single specimen planting or in group, very showy in fruit as well as in bloom. One 2-year tree \$1.00.
- 25—CUT LEAF WEEPING BIRCH**—The long weeping branches are loaded with shiny, green cut leaves, and the silvery white bark, with the natural symmetrical construction makes a very beautiful appearance on the lawn or by the roadside. One of these trees by mail \$1.00.
- 26—ORIENTAL PLANE (European Sycamore)**—One of the oldest cultivated trees, and one of the best for planting in smoky cities, as they stand smoke and gases better than any other shade trees. Three 1-year plants by mail for \$1.00.
- 27—SALIX DISCOLOR (Pussy Willow)**—This is the French variety with very large catkins flushed pink. Fine for early spring before other shrubs bloom. Florists use this variety for winter forcing when other flowers are scarce. Can be grown tree shape as well as a bush. Three 2-year plants by mail \$1.00.

DECIDUOUS SHRUBS

EVERY HOME SHOULD HAVE SOME SHRUBS PLANTED TO MAKE THE HOME LOOK FINISHED. AROUND THE FOUNDATION OF THE HOUSE AND IN THE CORNERS OF THE LAWN. LOOK OVER THE DOLLAR SPECIALS THAT FOLLOW AND WE ARE SURE THAT YOU WILL AGREE THAT IT DOES NOT COST TOO MUCH TO HAVE THE HOME PLANTED.

- 28—AMERICAN HAZELNUT**—Small tree or large shrub bearing medium sized nuts. Used in group plantings among other shrubs. Plant a group in one corner of the yard and let the children gather nuts in autumn. Two year trees. \$1.00 will buy two by mail.
- 29—ALMOND**—Pink, very double flowers set thickly along the branches in early spring. Three two-year plants \$1.00.
- 30—ALTHEA (Rose of Sharon)**—Blooms in August and September, suitable for hedges or group plantings, as well as single specimen; large double flowers in white, pink and red. Two year plants, three for \$1.00.
- 31—BUTTERFLY BUSH (Summer Lilac)**—Very quick growing shrub that blooms in July. Long spikes of purple lilac-like flowers that attract butterflies. One year plants, three for \$1.00.
- 32—CALYCANTHUS (Carolina Allspice)**—A low, compact growing shrub with large, glossy green leaves and odd shaped chocolate red flowers; leaves and wood have a spicy odor. Two year plants, 2 for \$1.00 by mail.
- 33—CORNUS ELEGANTISSIMA (Silverleaf Dogwood)**—A large growing shrub with bright red branches and green and white variegated leaf. Used in adding color to the landscape planting. Two year plants, 2 for \$1.00 postpaid.
- 34—CORNUS SPATHE AUREA (Golden Leaf Dogwood)**—Very similar to the above, except the leaf variegation is yellow instead of white. Two year plants, 2 for \$1.00.
- 35—CORNUS PANICULATA (Gray Dogwood)**—Medium plant of tree shaped shrub with white flowers in June followed by pearly white berries in autumn. Can be sheared into pyramidal form that resemble boxwood. Two year plants, three for \$1.00.
- 36—DEUTZIA ROSEA**—Beautiful shrub growing about eight feet, with clusters of very double flowers, white with outer petals flushed pink appearing in May. One year plants, six for \$1.00.

- 37—DEUTZIA LEMOINEI**—A dwarf growing shrub, rarely three feet; same flower as Rosea, except the flower is pure white. Make good foundation plants or for borders in larger shrub plantings. Two year plants, three for \$1.00.
- 38—CLETHRA ALNIFOLIA (Sweet Pepper Bush)**—A handsome little shrub delightfully fragrant in August and September. Long, showy spikes of creamy white flowers, dark waxy green leaves; another nice foundation or border plant. Two year plants, 2 for \$1.00.
- 39—HONEYSUCKLE BUSH**—They are valuable for screens or mass planting where tall shrubs are required; there are several varieties with pink and white flowers, followed by red berries. Two year plants in assorted varieties, three for \$1.00.
- 40—FORSYTHIA (Golden Bell)**—A fine old shrub that is covered with golden yellow flowers in early spring before the leaves appear. The first shrub to bloom in the spring. One year plants, six for \$1.00 postpaid.
- 41—GOLDEN ELDER**—Flower and bush similar to the common American elder, except the leaves are golden yellow. Produces black fruits same as the American Elder. Two plants for \$1.00.
- 42—HYDRANGEA PANICULATA GRANDIFLORA**—Blooms in August and September; great, massive white flowers, changing to pink and bronze. Queen of the flowering shrubs. Two year plants, three for \$1.00.
- 43—HYDRANGEA ARBORESCENS (Hills of Snow)**—Large ball shaped, white flowers in mid-summer, changing to green as the flower ages. Will grow and thrive in the shade. Two year plants, three for \$1.00.
- 44—KERRIA JAPONICA**—A handsome, green leaved and green stem shrub with bright yellow flowers in June. Two plants \$1.00.
- 45—RHODOTYPOS KERRIODES (White Kerria)**—An attractive shrub growing to five feet with single white flowers in May; does well in shade. Two year plants, two for \$1.00.
- 46—LILAC, PERSIAN PURPLE**—Not as large a grower as the common lilac, but have wonderful large, long spike bloom in May. They are budded or grafted on private or common lilac seedling. Two year plants \$1.00 each, by mail.

- 47—PHILADELPHUS VIRGINALIS (New Mock Orange)**—Very large, double white flowers in early summer, and blooms some all summer. The greatest bloomer of all the Mock Oranges. Every planting should have some of these beautiful shrubs. One year plants, three for \$1.00, postpaid.
- 48—VIBURNUM STERILIS (Common Snowball)**—The fine old shrub that is loaded with large white balls Decoration Day. Two plants \$1.00.
- 49—HIGH BUSH CRANBERRY (Vib. Opulus)**—Very much like the Snowball in leaf and bush; the flowers are flat, followed by clusters of bright red berries in autumn; the autumn leaf coloring is very attractive and is a valuable landscape plant for group planting. Two plants \$1.00.
- 50—WAYFARING TREE (Viburnum Lantana)**—Leaves are very large, dark green in color, flowers are white, flat; followed by bright red fruits, that turn to shiny black when fully ripe, very showy in group planting. Two for \$1.00.
- 51—SPIREA ANTHONY WATERER—(The Red Spirea)**—Dwarf, bushy plant, rarely ever reaches three feet; rosy-crimson flowers that come in early summer and continue blooming till fall. Three, two year plants \$1.00.
- 52—SPIREA VANHOUTTII**—The well known shrub that is loaded with snow-white flowers the last of May. Six, one year plants \$1.00.
- 53—WHITE SNOWBERRY**—Small pink flowers in early spring, followed by large clusters of round, white balls of fruit in autumn. Six, one year plants \$1.00.
- 54—WEIGELIA**—One of the leading shrubs as they are good for group planting, as well as single specimens and because of their abundance of bloom and varied colors they can be used in landscape plantings to better advantage than most shrubs.
- W. Rosea**—Light pink flowers. Six, one year plants for \$1.
- W. Candida**—Pure white flowers. Six, one year plants for \$1.
- W. Hendersoni**—Dark pink flowers. Six, one year plants for \$1.00.
- W. Abel Carier**—Rose pink flower. Three, two year plants \$1.
- W. Florabunda**—Bright red flowers. Three, two year plants for \$1.00.
- W. Eva Rathke**—Crimson flowers. Three, two year plants \$1.
- W. Varigated**—Pink flower, yellow varigated leaf. Six, one year plants for \$1.00.

HARDY VINES

FOR COVERING PORCHES, WINDOWS, TRELLISES, BRICK WALLS AND CHIMNEYS WILL BE FOUND LISTED IN THE FOLLOWING PARAGRAPHS. THESE VINES REQUIRE BUT LITTLE CARE—JUST SOMETHING TO CLIMB ON AND THEY WILL ADD BEAUTY TO THE BUNGALOW, THE UNSIGHTLY FENCE IN THE BACK, OR THE BARE BRICK WALL, AT VERY LITTLE COST, AS YOU WILL LEARN BY GLANCING THROUGH THE PARAGRAPHS THAT FOLLOW.

- 55—**BOSTON IVY**—Leaves a deep green, changing to red in autumn, berries are blue in clusters. The finest vine for covering brick walls or chimneys. Two year plants, three for \$1.
- 56—**DUTCHMAN'S PIPE**—A fast growing vine with large, heart-shaped leaves; very dense, compact grower; fine for covering porches. Flower light brown, shaped like a pipe; does well in shade. Grafted plants, one year, two for \$1.00.
- 57—**CLEMATIS PANICULATA**—Rapid growing vine with glossy foliage; vine is completely covered with small, white flowers in September; fragrant. Two year plants, three for \$1.00.
- 58—**LARGE FLOWERING CLEMATIS**—Large, morning glory like flowers that bloom through the summer. Jackmanii is purple, Henryi is white, Mad. Andre is red and Ramona is blue. Large, two year plants for \$1.00 each. State color wanted.
- 59—**CLEMATIS COCCINEA**—A hardy vine to 10 ft. with solitary, pitcher-shape flowers, carmine or scarlet in color. Three plants \$1.00.
- 60—**HONEYSUCKLE VINE SCARLET TRUMPET**—Flower are scarlet, trumpet shape and borne in clusters, fragrant. Two plants \$1.00.
- 61—**HALL'S JAPAN HONEYSUCKLE**—The flowers are white, changing to yellow, very fragrant, blooms throughout the summer. Known as the evergreen Honeysuckle as it retains its leaves throughout the winter. Fine for planting on hillsides to keep the bank from washing, as well as for screens on porches, etc. One year plants, four for \$1.00.

- 62—WISTERIA MAGNIFICA**—Beautiful vine covered with long clusters of purple flowers, and very fragrant. Grafted plants that will bloom the first year. Two for \$1.00.
- 63—TRUMPET FLOWER (*Bignonia Radicans*)**—A robust woody vine twining tightly with numerous roots along the stems. Its large orange-scarlet flowers, shaped like a trumpet, cluster at the tip of the branches. Two plants for \$1.00.
- 64—AKEBIA QUINATA**—A hardy, climbing vine from Japan with rosy purple flowers in early spring followed by oblong seed pods three to five inches long. Two plants \$1.00.

HEDGE PLANTS

Everybody admires a well kept hedge, here is an opportunity to get a good hedge at a very small cost. We are offering here the three most popular hedge plants, also are the most desirable and it just depends on the location and the main purpose of the hedge which one will be best suited for your particular purpose.

- 65—BARBERRY THUNBERGI**—For a low hedge the Japanese Barberry is hard to beat. It can be trimmed to any height desired and has very attractive green foliage in spring and turns a rich brick red in autumn, has attractive red fruits that last all winter. For planting, where the tendency is for children to tramp down the lawn, Barberry with its long thorns will help guard this. Fifteen, two year plants \$1.00.
- 66—CALIFORNIA PRIVET**—This is the leading privet for hedges where the winters are not too cold. Can be used as a high screen, for, if it is left to grow without trimming, it will attain the height of ten feet, however, it can be trimmed to any height desired. It has very nice, dark green leaves that shine and are as smooth as glass. The bloom is in clusters of small, white flowers, followed by black fruits. Fifteen plants for \$1.00.
- 67—AMOR RIVER NORTH PRIVET**—In climates that are too cold for California Privet to do well this is the next best plant for hedges, as it is perfectly hardy and makes a very pretty hedge. Ten plants for \$1.00.

68—A SMALL PERENNIAL GARDEN FOR \$1.00—In this collection we are offering perfectly hardy plants that will stay out all winter in perfect safety. In this collection we will give you seven blooming size plants for \$1.00 post paid, as listed below.

Two Delphinium, one dark blue, one light blue.

One Gallardia (Blanket Flower) yellow, shaped like small sunflower.

One Foxglove, thimble-shaped flowers on long spikes.

One Coreopsis, bright yellow, daisy-like flowers in early summer.

One Shasta Daisy, large, white flowers in abundance through autumn.

One Chinese Lantern Plant, orange scarlet, lantern-like fruits in autumn.

TEN GERMAN IRIS FOR \$1.00

69—This collection of ten German Iris will be sent postpaid to any place in the United States. We will select the varieties and send you ten different colors and combination of colors, so there will not be any two alike.

SIX HARDY PHLOX FOR \$1.00

70—Hardy perennial phlox are reliable, late summer and early fall bloomers. This collection will give you a fine assortment of colors in one of the grandest, hardy perennial plants that grow. The colors will be furnished as follows; one white, one pink, one red, one white with red eye, one lavender and one violet.

HARDY PERENNIALS

71—ACHILLEA—Large, ball shaped flowers, long season, one of the best white flowered perennials. Six plants \$1.00.

72—AGROSTEMMA CORONARIA—Thrifty growing plants with silvery foliage, two to three feet in height, with a profusion of bright crimson, phlox-shaped flowers, during June and July. Six plants \$1.00.

73—AJUGA REPTANS—An excellent ground coverer for shady places, carpeting the ground under trees where grass will not grow. Extensively used in rockery; grows three to four inches high, bearing deep purplish-blue flowers in May and June. Six plants for \$1.00.

74—ALYSSUM (Saxatile Compactum)—A dwarf growing plant, about ten inches; well adapted for borders or rockery. Dense mass of yellow bloom in early summer. Six plants \$1.

75—**AQUILEGIA (Columbine)**—A very beautiful, old fashioned flower blooming in May and June. Six plants in assorted colors, \$1.00.

76—**ARTEMISIA LACTIFLORA**—Deep green, finely cut foliage, with erect branching stems of fragrant, creamy white flowers in August and September. Five plants for \$1.00.

77—**ASCLEPIAS TUBEROSA**—A very attractive native plant, producing broad heads of bright orange bloom during July and August; two to two and one half feet in height. Six plants \$1.00.

78—**BAPTISIA AUSTRALIS**—Attractive, deep green foliage with spikes of deep blue flowers in June. Six plants \$1.00.

79—**BOLTONIA**—Large, single Aster-like flowers, blooming freely during summer and autumn. Useful for cutting. Assorted pink and white. Six plants for \$1.00.

80—**CAMPANULA (Bellflower)**—Beautiful cup-shaped flowers about three inches long, the edges softly rolled back and fluted. In colors blue, rose and white. Six plants, \$1.00.

81—**CENTAUREA MONTANA**—Bears large, loose-petaled, violet-blue flowers from July to September. Six plants, \$1.

82—**CHRYSANTHEMUMS**—Hardy, field-grown, perennial plant that is always in bloom in late summer and autumn, until it freezes. Every lover of flowers should have some "mums" in their garden to round out the season as they are fine for cutting as well as bedding. We offer here a fine assortment of the hardiest varieties. Choose your colors. Six plants, by mail, \$1.00.

Alice Howell—Large, orange yellow.

Autumn Glow—Rose pink, large.

Fields of Snow—Low growing, small white.

Golden Queen—Large, pure golden yellow.

Indian—Coppery red.

Lillian Doty—Large, compact, deep pink.

Little Bob—Button, bronze.

Skiboo—Button, yellow.

Old Homestead—Opens pink, fading to white.

Victory—Very large white.

83—**CONVALLARIA MAJALIS (Lily of the Valley)**—A nice border plant, with short, broad leaves coming from the ground; flowers bell-like and very fragrant; fine for shady places. Four plants for \$1.00.

- 84—COREOPSIS**—Very hardy, strong growing plant to about 18 inches, covered with yellow daisy-like flowers, very useful for cutting. Blooms nearly all season if flowers are cut. Seven plants for \$1.00.
- 85—DELPHINIUM (Lark Spur)**—Very satisfactory plant for the hardy garden, giving shades of blue from June until frost. Very fine for cutting. Assorted light and dark blue. Six blooming size plants for \$1.00.
- 86—DIANTHUS BARBATUS (Sweet William)**—Very popular old fashioned flowers; broad heads of showy bloom during May and June. Six assorted colors for \$1.00.
- 87—DICENTRA EXIMEA (Plumy Bleeding Heart)**—A dwarf growing plant with finely cut foliage, bearing racemes of pretty heart-shaped flowers through the season; does well in shady as well as sunny locations. Four plants for \$1.00.
- 88—DIGITALIS (Foxglove)**—A very showy, old fashioned plant bearing immense spikes of thimble-shape flowers during July and August, in colors of pure white, rose and purple. Blooming size plants in assorted colors, six for \$1.00.
- 89—GAILLARDIA (Blanket Flower)**—Bears a multitude of flowers from June till frost. Petals are of orange and yellow, strikingly ringed by circles of maroon, crimson and red, with a hard, deep maroon cone for center. Does well in any kind of soil. Six plants for \$1.00.
- 90—GYPSOPHILA (Baby's Breath)**—A dense spreading bush, forming a mound 2 to 3 ft. tall, and during July and August is a mass of minute, white flowers, the sprays of which are very useful for cutting with other flowers. Lasts a long time after cutting. Blooming size plants, seven for \$1.00.
- 91—HELIOPSIS PITCHERIANA**—Orange-yellow, daisy-like flowers with a brown, pyramidal center, borne on long stems; very good for cutting. Six plants for \$1.00.
- 92—HOLLYHOCK**—Double crimson, yellow, white, maroon and pink. In assorted colors, seven plants for \$1.00.
- 93—HIBISCUS (Mallows)**—Very large, single flowers in pink, white and crimson; six for \$1.00.
- 94—IBERIS (Hardy Candytuft)**—Dark, shiny evergreen foliage hidden in early spring with dense panicles of pure white flowers. A dwarf growing plant much used in rockeries. Five plants for \$1.00.

- 95—**LATHYRUS (Everblooming Sweet Pea)**—One of the most attractive, hardy climbing plants from the standpoint of both foliage and flower, growing to eight feet high when trellised, and bearing clusters of large sweet pea-like flowers the entire season, which are excellent for cutting. Red, pink and white. Six plants for \$1.00.
- 96—**LIATRIS (Kansan Gay Feather)**—In mid-summer throws long spikes of rich purple, feathery flowers. Six plants \$1.00.
- 97—**LUPINUS POLLYPHYLLUS**—Delicately colored, flower spikes a foot long, on stems two to three feet high. Flowers are pea-shaped and evenly spaced on spike. Prefers a heavy moist soil; does well in the shade. Four plants, \$1.00.
- 98—**MYOSOTIS (True Forget-me-not)**—Bearing azure blue, yellow-centered flowers in profusion during early summer, prized for its sentiment. Six plants \$1.00.
- 99—**PHYSALIS FRANCHETTI (Chinese Lantern Plant)**—Forms dense bush about two feet, bears its orange-scarlet, lantern-like fruits in profusion. Used extensively for winter decorations when dried. Six plants \$1.00.
- 100—**PLATYCODON (Balloon Flower)**—Bears numerous balloon-shaped flowers constantly from July until September; does well in any soil. Blue and white; six plants for \$1.00.
- 101—**PYRETHRUM (Painted Daisy)**—Fine-cut, fern-like foliage with attractive daisy-like flowers, on long graceful stems, in all the shades of red and pink. Six plants for \$1.00.
- 102—**SALVIA**—A hardy species of Salvia bearing a profusion of blue flowers during August and September. Variety Azure Grandiflora is sky-blue, and Pitcheri is a deep genetian blue. Six plants, three of each variety, for \$1.00.
- 103—**SHASTA DAISY**—Large, white flowers in large quantities throughout the autumn. A very popular cut flower sort. Six plants \$1.00.
- 104—**YUCCA FILAMENTOSA**—Broad, sword-like evergreen foliage. In mid-summer bears erect branching stems of pendant, creamy white bells. Six plants \$1.00.

GERMAN IRIS

- 105—Make your own selection of the following German Iris. You can get most any color combination you desire from this collection. One of any eight, or eight of any one for \$1.00.
- Her Majesty—Standards, lavender-rose, falls crimson.
- Lohengrin—Cattleya blue.
- Hororabilis—Standards clear yellow, falls maroon.
- Midnight—Deep purple.
- Mansignor—Crimson purple.
- Isoline—Standards light blue, falls deep purple.
- Nieblungen—Standards fawn, falls violet.
- Pallida Mandralisca—Standards azure, falls deep blue.
- Parisiensis—Uniform deep blue.
- Tamerlane—Standards light blue, falls deep purple.

JAPANESE IRIS

- 106—Blooms in July after the German Iris are through. Given good, rich, light soil and plenty of water and they will give you a wealth of bloom, ten to twelve inches broad, in various shades of white, orange red and blue. Three plants for \$1.00.
- Kohi-no-Ire (Purple and Gold)—Rich violet-purple with white petals, tipped violet; conspicuous golden throat.
- Kumo-no-obi (Band of Cloud)—Lavender rose.
- Gold Bound—White with golden banded center.
- Gekka-no-nami (Waves under Moonlight)—Glistening white with creamy white stigmas.
- Monija-no-taki (Maple Waterfall)—Bright rosy crimson, feathered in white.
- Mahogany—Velvet-toned, deep mahogany red.
- Sea-crest—A rift of blue in the glistening spray of white caps.
- Uchiu (Universe)—Cerulean blue with golden center and white halo from which radiae many clear white lines.
- Zama-no-Mori—White with heavy blue zone.

Gibson	Parson's Beauty	S. L. Champion	

SHADE AND ORNAMENTAL TREES

	Each	10
Birch (Cut Leaf Weeping)—		
4 to 5 feet -----	\$2.00	\$15.00
5 to 6 feet -----	2.50	20.00
6 to 8 feet -----	3.00	25.00
8 to 10 ft. -----	4.00	35.00
Catalpa—		
—speciosa		
6 to 8 feet -----	.90	8.00
8 to 10 feet -----	1.00	9.00
—bungei (Umbrella tree)		
1 year heads -----	1.25	10.00
2 year heads -----	1.75	15.00
Dwarf—2 year heads on 2 ft. stems -----	.80	7.00
Cornus (Dogwood)—		
—florida (White flowering)		
4 to 5 feet -----	3.00	25.00
5 to 6 feet -----	4.00	35.00
—rubra (Red flowering)		
2 to 3 feet -----	4.00	35.00
3 to 4 feet -----	5.00	45.00
Elm—		
—American		
6 to 8 feet -----	1.25	10.00
8 to 10 feet -----	1.50	12.50
—moline		
6 to 8 feet -----	1.75	15.00
8 to 10 feet -----	2.25	20.00
—vase		
6 to 8 feet -----	1.75	15.00
8 to 10 feet -----	2.25	20.00

Flowering Crab—

	Each	10
—bechtel		
2 to 3 feet -----	1.00	8.00
3 to 4 feet -----	1.25	10.00
4 to 5 feet -----	1.50	12.50
—purple leaf crab		
2 to 3 feet -----	1.00	9.00
3 to 4 feet -----	1.25	10.00
4 to 5 feet -----	1.50	12.00

Flowering Cherry—

—Japanese (Pink and white)		
3 to 4 feet -----	2.00	15.00
4 to 5 feet -----	2.50	20.00
—Japanese weeping		
1 year heads -----	3.50	32.50
2 year heads -----	4.50	40.00

Linden—

—American		
6 to 8 feet -----	2.50	20.00
8 to 10 feet -----	3.00	25.00
—European		
6 to 8 feet -----	2.75	25.00
8 to 10 feet -----	3.00	27.50

Mountain Ash—

—European		
6 to 8 feet -----	1.50	12.50
8 to 10 feet -----	2.00	15.00

Mulberry—

—alba tartarica (Russian)		
6 to 8 feet -----	.75	6.00
8 to 10 feet -----	1.00	9.00
—alba pendula (Tees weeping)		
1 year heads -----	2.25	20.00
2 year heads -----	3.00	27.50

Maple—

—silver		
6 to 8 feet -----	1.25	10.00
8 to 10 feet -----	1.75	15.00
10 to 12 feet -----	2.25	20.00
—sugar		
6 to 8 feet -----	2.00	17.50
8 to 10 feet -----	3.00	25.00

Maple—Cont'd

	Each	10
—Siberian		
2 to 3 feet -----	1.00	7.50
3 to 4 feet -----	1.25	10.00
—schwedleri		
6 to 8 feet -----	3.50	30.00
8 to 10 feet -----	4.50	40.00
—Norway		
6 to 8 feet -----	2.50	22.50
8 to 10 feet -----	3.00	27.50
—Japan (red leaf)		
2 to 3 feet -----	10.00	

Prunius (Flowering Plum)—

—pissardi (purple leaf)		
3 to 4 feet -----	.85	7.50
4 to 5 feet -----	1.00	9.00
—othello (red leaf)		
3 to 4 feet -----	.85	7.50
4 to 5 feet -----	1.00	9.00
—triloba (double flowering)		
3 to 4 feet -----	1.00	9.00
4 to 5 feet -----	1.25	10.00
—tomentosum (Nanking cherry)		
2 to 3 feet -----	.90	8.50
3 to 4 feet -----	1.00	9.50
4 to 5 feet -----	1.25	10.00

Sycamore—

—European		
6 to 8 feet -----	1.75	15.00
8 to 10 feet -----	2.00	17.50
10 to 12 feet -----	2.50	22.50

Thorn—

—Paul's scarlet		
2 to 3 feet -----	1.75	15.00
3 to 4 feet -----	2.00	17.50
4 to 5 feet -----	2.75	25.00

Tulip Tree—

6 to 8 feet -----	1.50	12.50
8 to 10 feet -----	2.00	17.50

	Each	10
Populus—		
—bolleana (silver poplar)		
6 to 8 feet -----	1.00	8.50
8 to 10 feet -----	1.25	10.00
10 to 12 feet -----	1.50	12.50
—nigra (lombardy)		
6 to 8 feet -----	.85	7.50
8 to 10 feet -----	1.00	8.50
10 to 12 feet -----	1.25	10.00
—simoni (Chinese poplar)		
6 to 8 feet -----	1.00	8.50
8 to 10 feet -----	1.25	10.00
Walnut—		
—English		
2 to 3 feet -----	1.00	9.00
3 to 4 feet -----	1.25	10.00
—Japan		
4 to 5 feet -----	.90	8.50
5 to 6 feet -----	1.00	9.50
6 to 8 feet -----	1.25	10.00
8 to 10 feet -----	1.50	12.50
—nigra (Black Walnut)		
4 to 5 feet -----	.90	8.00
5 to 6 feet -----	1.00	9.00
Willow—		
—babylonica		
6 to 8 feet -----	.85	7.50
8 to 10 feet -----	1.25	10.00
—niobe		
6 to 8 feet -----	1.00	9.00
8 to 10 feet -----	1.25	11.00
—Wisconsin		
6 to 8 feet -----	.85	7.50
8 to 10 feet -----	1.25	10.00
—discolor (Pussy Willow)		
4 to 5 feet -----	.75	6.50
5 to 6 feet -----	.90	8.50
Robinia—		
—hispidia (Rose Acacia)		
1 year heads, 5 ft. stems -----	1.50	12.50
